CITY MATTERS. P(LICE COURT -- March 21.

EFORE C INTON WALGEBIR, MIQ., POLICE SUSTICE. THE A SON CARE. - John O'Brien was brought half fixed at \$2,000, and in deficit, he was usen lack to iii.

The evidence in the above case is convey supported by proposition of a peculiar naturator which government for the Exhibition.

The VICTOR EQUIRE will also be proceeded. teason we can't it taches anxious neither to prejuare the effectant nor the it like of the politic Then in which we shap at the book and of the U The vier mer deliberately set line to, and the be pay d'agrend the challest of a doubt, the belonder a indicted and one of them tiled, i. buy not sittle him; the other was held to bail, n the scin of \$500, perfected his intergrisance has now been tried, and is trusting at large, b suchly, know to the contrary. When Justice disabled den har resean, crimes in collision wit all hase in the trues, we shall stop making drawing here contrasts, but not till then. F equitial upon acquittel from crimes clear proved, that and will tend to increase their Hunchs suspended at Caleagorates, from 6 to 10 perc. de commission; by judging the course of courts defined at Indiapalis. "parts 25 " a course of the course of courts of the course a the p at, must bring all here into disrespect, not thus ardened and deproved, reeing the cothers committing it with impanity, until lite or prosony will be no longer onto from destruction.

A We dan W orven -- A roan named William if Giall, living in the First Ward, was arrested core. The show had drived in behird there, fittings up the track again, when a powerful loss, and will he de steam, to clear if out. On the bane, thinging the drifts over her smaler dake, till she rashed helt spen the routenty of shoved is.

They head the which hat apposing the could be and walking straight through all she reshed helt spen the routenty of shoved is.

They head the which hat apposing the world to be track and shall kept on the contrary, supposed they would clear the track and shall here to the no rapidly that he superinted in the contrary, the proposed they would clear the track and shall here to the no rapidly that he superinted in the contrary, the shored is the track and the story of the shored the head of time, then a rapidly that he superinted of had hardy time, by a postorial jump, to save himself. The shored is had no time, and the same-plete, as if that through the drift, threat over a deable ferrow of live frishmen. Some were smoothly had not and every day the leak; tolders were smoothly had not drift, threat over the medical to contract.

We reached Milwarders in the five contract that we contract.

We reached Milwarders in the five contract the world of the swife, whose condition would have on Saturday afternoon, and taken to jail, by the his help ess wife, whose condition would have cheined choloess from a camibal.

Frac L Engineeron .- The Exhibition of the Scholar of the First Ward Public School, which was advertised for Sahirday evening, but kindly deferred to accommodate the Young Men's Associatio , will take place this evening at Concert Helt, Carth Ward. We can assume our readers that the Exhibition will be well worshoosing and is specially deserving of the presence and pattonage of the friends of Popular Education. The Hait- the apper portion of what was formerly the Met adis, Church-is large, siry, well-lighted and qui e comfertable. See notice in our adverti ing c dumesi.

Votice to School Teachers. Total ers now in the employment of the Burn. Salso I Communioners of the City of Milwauk of as daths to desirous of obtaining alignations in our Public ichools will find something of interest to hom is our adventions columns. The Annual Examinations of Teachers and Condidates are to be held on Saturday next and Saturday week, at the Fit t Ward School Heast, No corton can be employed as Teacher without undergoing an examin tion and obtaining a certificate.

BROTHER JONATHAN соок ѕточе,

I have sold the B. J for the past three years. I have sold the B. J for the past three years. I have been thereughly tested by thousands who will testify that it is the most complete Cook Store that can be. I have four size of B. J. There is a summer attachment to the store which will make kelf difference best of the senses of fusioned in the Boumer season and does away with all unnecessary host which other stores make that have not the attachment. The over in much larger than any other store of the acute size furniture. I was not the sever to give complete satisfaction, if not, to be required and money refunded. I will refer you to hundreds of the citizens of Mily ankee that are using the Store.
